

## **2018 Boedecker Cellars Pinot Noir Athena**

---

With the majority of its fruit from the Hirschy Vineyard, the 2018 Pinot Noir Athena is dark ruby and takes on a bit more oak spice presence, with toasted cedar, baking spice, and lush black cherry fruit. Full-bodied, with ripe fruit, a dark mineral tone, and a meaty texture, it retains ample tannic structure. Gripping and serious in character, it can stand up to grilled meats. Drink 2023-2030.
