2013 Boedecker Cellars Pinot Noir Shea Vineyard

The 2013 Pinot Noir Shea Vineyard was matured in 50% new French oak and is limited to 150 cases. It has a light cranberry and strawberry-scented bouquet that does not quite have the vigor of the Athena Pinot Noir. The palate is fleshy on the entry, quite Volnay-like in style, a little chewy, but clean and pure on the finish. Give it another year because I can see the potential.
